RETINA GTMED

Statuario is revered globally—the choice of sculptors and royal houses for centuries. The Aeternum Lux series honors this legacy by meticulously reproducing its signature, streamlined grey and gold veining. We start with the purest white porcelain body, ensuring depth, clarity, and an authentic presentation that is durable enough for any high-traffic, luxury setting

The glossy finish is the heart of this collection's concept. Like a perfectly polished mirror, it captures and amplifies natural light, visually expanding the boundaries of any room. This powerful reflection, combined with the impressive 600x1200mm scale, infuses lobbies, living areas, and kitchens with a spectacular, airy grandeur that is impossible to ignore.
